Thank you very much Diane. I will email you a copy for your review prior to formally submitting it. I do not mind meeting with you as well, should you think it a good idea. My main goal is to get the County the right materials for review so we are at your service at this point.

Thanks Micah

Micah,

Thank you for getting back to me. I will not review the submitted report and will wait for the revised one to come in. As we discussed, you can email me a copy of the report before you formally submit it to make sure that it is complete before a hard copy is submitted.

Sincerely,  
Diane

Hi Diane,

I can confirm that the report you have is NOT the one you should review. I am currently revising Tierra Del Sol for formal submittal this Friday.

Thank you for asking; yes, please waive the cultural report submittal at this time.

Thanks, Micah

Micah,

A hard copy of the Tierra Del Sol cultural report was submitted on June 15, 2012 with the rest of the required information for the project. Can you confirm that you have not made the revisions to the report and I should not review it at this point in time? In our last discussion, we discussed waiving the cultural report submittal since the report was too preliminary. Let me know.

Sincerely,  
Diane

Hi Diane,

Attached to this email you should find a brief summary of findings for the cultural resources investigations conducted for the Soitec Tierra Del Sol solar project. Please let me know if you have questions. We are currently completing our revisions and are

aiming for a Friday, June 22 submittal date for this study for your review.

Thanks, and it was nice meeting you in person as well.
